Dear Mr. Pekala

At this time I would like to express appreciation for the service you and your staff have provided to me and the Pennsylvania Conference. When I started working here, handling insurance challenges and needs for our local entities was a new responsibility for me. My job was made easier by the level of service you provided.

During the past two and a half years, I have enjoyed working with your staff. Each individual I have spoke to in your office, was helpful, considerate, friendly, and kind. They each showed a level of professionalism that surpassed all expectations, while having a Christian attitude. I have enjoyed brief personal conversations that have made them feel more like friends than business associates.

I believe that you are in ministry. While some preach about Christ's example, you seem to live it. Your gifts and talents are a tribute to the finishing of the gospel.

Thank you for your commitment to God's work by helping church organization with their growing insurance needs.

Sincerely,

Karen E. Schneider
Associate Treasurer
